

June, 2024 Challenge

Each year we offer guild members a quilting challenge. This year's challenge topic was Endangered Species. Pick an animal(s) from the World Wildlife Fund list. Then use that to inspire a quilted item. It must be quilted and finished, but can be any size or shape.

“The name of the pattern is Eat, Sleep and Be Panda, designed by Lisa Pugachova. I just call him The Bear!”

Tiger

“This is a Vaquita. It is a small porpoise that lives in the northern Gulf of California. They are killed by getting caught in the gillnets of fishermen. The WWF conducts an annual count of Vaquitas and in 2024 they counted 10.....eight less than the 2023 count.”
